

BUTTE COUNTY AIR QUALITY MANAGEMENT DISTRICT

RULE 305 - FIELD CROPS HARVESTED PRIOR TO SEPTEMBER 10

(Adopted July 15, 1980; Recodified August 6, 1985; Recodified August 20, 1998; Recodified August 22, 2002)

- 1 FIELD CROPS HARVESTED PRIOR TO SEPTEMBER 10:** No field crop waste from acreage which was harvested prior to September 10 shall be burned during the period from October 1 through November 30 of each year, unless written authority is given by the Butte County Air Quality Management District (DISTRICT). In granting such written authority the DISTRICT shall:
 - 1.1** Ensure that the amount of acreage which is to be burned shall be included in the DISTRICT's allotment as specified in Rule 307 of these Rules and Regulations.
 - 1.2** Require a specific explanation of the cultural practices which require immediate burning.
 - 1.3** Require the person to specify the reason why the burning was not conducted prior to October 1.
 - 1.4** Require the exception of this Rule be valid only on permissive burn days.
